About the Event

Senior citizens are the fastest growing age group in Canada. The Town Hall meeting will bring together senior citizens, community leaders and government officials to share information on serving the physical, emotional, and social needs of seniors within this changing demographic. The event also will include several information tables staffed by various community organizations that serve our local seniors.

Tea, coffee, and goodies will be provided.

The Victoria, Esquimalt Saanich Sooke and Saanich Gulf Islands Federal Liberal ridings, with the support of the Senior Liberals' Commission of Canada in BC, are the hosts of this non-partisan event.
